Q&A

These numbers feel huge to me! If I can't give a large donation, is my gift even going to help?

All gifts help us get closer to our goals! Look below for an example breakdown, but don't feel discouraged if you can't give that much.

Just follow God's leading!

PHASE 3 RAISED:

\$393,000 

Break It Down

The average cost of going out to a restaurant for dinner is \$25 per person.

If you, along with one family member, eliminate 1 dinner out each month for just 1 year...

...you would save about \$600/year (\$50/month) that could go toward what God is doing here...

...we would just need 250 partners to help us reach the \$150,000 goal...

...and once we are on the land, we eliminate our monthly rent!

Will you be one of the 250 to commit to giving \$50 per month for 1 year?
