

UNCHAINED EXPERIENCES

Overarching Vision

The Unchained Experience event series brings disc golfers together to pursue two central aims: *meaningful community engagement* and *generational discipleship equipping*. Through these one-day retreats, players build authentic relationships with other believers while being trained to follow Jesus and invest spiritually in others. By fostering partnerships with local churches, these experiences strengthen communities of faith and cultivate disciple-makers who will influence the sport for generations to come.

Sample Retreat Schedule

8:30 AM	Check In	12:45 PM	Community-Building Activity
9:00 AM	Disc Golf Game 1	1:00 PM	Discipleship Equipping Pt. 2
9:15 AM	Chapel Service	2:30 PM	Disc Golf Doubles Round
10:15 AM	Community-Building Activity	4:15 PM	Disc Golf Game 3
10:45 AM	Discipleship Equipping Pt. 1	4:30 PM	Community-Building Activity
11:45 AM	Disc Golf Game 2	4:45 PM	Call to Action
NOON	Lunch	5:00 PM	Dismiss

Past Success & Future Planning

4 events run with 96 people in attendance. Event locations were: Tennessee, Georgia, Michigan, and South Carolina. Overall exceedingly positive reception and a clear display of the potential of retreat-style events.

A minimum of 10 events are expected with a goal of 250 in attendance. The vision is to hit as many unique states as possible, not yet doubling down on particular states, in favor of creating more access across the country. Expected Locations: Tennessee, Georgia, Michigan, South Carolina, Texas, Florida, Ohio, New York, North Carolina, and Kentucky.

Host sites for 2027 are currently being vetted. A conservative goal is 20 events with 500 attendees. Expansion entails three main goals:

- To promote unity across individual states, understanding that many disc golfers travel significant distances to play weekend events. This fosters a continued thrust of community-minded believers in the sport.
- To expand reach across the country, instead of oversaturating areas where we already have donors/supporters/participants.
- To grow individual events larger. As events foster a local Christian disc golf presence, increased attendance is expected.

Distinctives of Unchained Experiences

- Eagles Wings will supply the discipleship teacher who will function as the on-site coordinator for the retreat.
- Unlike the Unchained Conference, disc golf skills development is not a priority.
- Local worship & preaching for the chapel services, with an outline we supply
- Experience Leads are committed to creating a financially sustainable Experience through: Individual attendee registration fees; A Friday flex start charity tournament; Local sponsorships in the form of cash, food, or product donations.

Event Team

- Eagles Wings Staff - Provides registration, curriculum, itinerary, tournament support. In most cases, one staff member will be on-site.
- Experience Lead - Responsible for the success of the event. Must confirm other roles, date & location, and oversee marketing efforts.
- Check-In Lead - Ensures attendee pack distribution, and oversees initial welcome process on the day of the event.
- Disc Golf Lead - Leads disc golf game implementation and doubles round pairings.
- Chapel Lead - Coordinate the worship team and speaker for the morning chapel service, manage service flow.
- Tech Lead - Ensures all multimedia and relevant lighting/building components are well planned and implemented.
